"Street" shall mean any street, drive, boulevard, road, lane, avenue, or any place as shown on the recorded plat as a thoroughfare.

ARTICLE II: MEMBERSHIP

Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is the subject of these covenants, including contract sellers, shall be a member of the Association and responsible for the payment of periodic assessments levied by the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to the Association. Ownership of such Lot shall be the sole qualification for membership.

ARTICLE III: VOTING

The Association members shall be all those Owners as defined in Article II. All members shall be entitled to one vote for each Lot in which they hold the interest required for membership by Article II. When more than one person holds such interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

ARTICLE IV: COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon, costs of collection thereof and reasonable attorney's fees, as herein after provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation shall not pass to his successors in title unless expressly assumed by them, however the lien on the Lot shall not be affected by the transfer of title.

Section 2. Purpose of Assessments. All funds collected as hereinafter provided, for the benefit of the Association from the Annual and/or Special Assessments, shall constitute and be known as the "Maintenance Fund." The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in the Association and for the improvement, maintenance and acquisition of Common Areas and Reserves. The responsibilities of the Association may include, by way of example, but without limitation, at its sole discretion, any and all of the following: maintaining, repairing or replacing parks, esplanades, walkways, landscaping, if any; maintaining rights-of-way, easements, and other public areas, if any; the expense of purchasing and/or operating recreation areas, if any; insecticide services; payment of all legal and other expenses incurred in connection with the enforcement of all recorded charges and assessments, covenants, restrictions, and conditions affecting the Property to which the Maintenance Fund applies; payment of all reasonable and necessary expenses in connection with the collection and administration of the Maintenance Fund; contracting for policemen or watchmen; CPAs and property management firms, attorneys, porters, or any type of service deemed necessary or advisable by the Association; caring for vacant Lots and doing any other thing necessary or desirable in the opinion of the Association to keep the properties in the Association neat and orderly, or to which is considered of general benefit to the Owners or occupants of the Property. It is understood that the judgment of the Association, when deciding the expenditure of said funds, shall be final and conclusive so long as such judgment is exercised in good faith.

Section 3. Basis and Maximum of Annual Assessments. For the year 2023, the annual assessment shall be Two Hundred and 0/100 dollars (\$200.00) per Lot.

- (a) Beginning with the Assessment which shall become due and owing in January, 2027, and annually thereafter, the Board of Directors may vote to increase the annual assessment by an amount not to exceed three percent (3%), which increase shall be effective January 1 of each year without a vote of the membership ("Maximum Assessment").
- (b) The annual assessment may only be increased by an amount exceeding three percent (3%) by a vote of the members, provided any such change shall have the assent of two-thirds (2/3) of the votes of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting.
- (c) After consideration of current maintenance costs and future needs of the Association, the Board of Directors may not fix the annual assessments at an amount in excess of the maximum without assent of two-thirds (2/3) of the votes of the Members.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property

related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on an annual basis with each Lot Owner paying an amount equal to that paid by each of the other Lot owners.

Section 6. Quorum for Any Action Authorized Under Sections 3 and 4. At the first meeting called, as provided in Sections 3 and 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes shall constitute a quorum. If the required quorum is not forthcoming at any meeting, one (1) additional meeting ("Recall Meeting") may be called, subject to the notice requirement set forth in Sections 3 and 4, and the required quorum at the Recall Meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No Recall Meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on January 1, 2023. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period; provided, however, that the Board of Directors shall have the right to adjust the annual assessment as long as any such adjustment does not exceed the maximum permitted hereunder with thirty (30) days written notice given to each owner. Written notice of the annual assessment or any adjustment thereof shall be sent to every Owner subject thereto. The Association shall upon demand at any time furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A reasonable charge may be made by the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Sharpstown Civic Association, Inc., or its agents the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien, and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other Lot owners. The Association acting on behalf of the Lot owners shall have the power to subrogate so much of its right to such liens as may be necessary or expedient to an insurance company continuing to give total coverage notwithstanding nonpayment of such defaulting owner's portion of the premium. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of any Common Area or abandonment of his Lot.

Section 9. Alternative Payment Schedule. Payment plans are available to an Owner whose account with the Association is delinquent. However, the Association may deny an Owner the option of entering into a payment plan if that Owner has breached a payment plan within the previous two (2) years. Upon entering into an acceptable payment plan, an Owner may make partial payments to cure its account delinquency without accruing additional penalties, although reasonable costs incurred by the Association in administering such payment plans may be charged, as well as interest accruing on the Owner's account balance. At all times during the collection process, the Association or the Association's legal counsel may enter into reasonable arrangements with Owners in an attempt to collect the obligation owed to the Association.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein: (a) all properties dedicated to and accepted by a local public authority; (b) the Common Area; and (c) all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Texas. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 12. Insurance. The Board of Directors, or its duly authorized agent, shall have the right to obtain a broad form public liability policy covering all Common Area, and all damage or injury caused by the negligence of the Association or any of its agents, or Directors and Officers insurance. Premiums for all such insurance shall be a common expense. All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association.

ARTICLE V: RESTRICTIONS

For the purpose of carrying out a uniform plan for the improvement and sale of property in the section, as a restricted subdivision, the following restrictions upon the use of said property are hereby established and adopted subject to the provisions hereof and shall be made a part of each and every contract and deed and same shall be considered a part of each contract and deed as though incorporated fully therein. And these restrictions as hereinafter set forth shall be and are hereby imposed upon each lot or parcel of land in said addition as shown by said plat and referred to herein, and same shall constitute covenants running with the land and shall be binding upon, and shall inure to the benefit of Sharpstown Civic Association, Inc. and all Owners of said property, and each such purchaser by virtue of accepting a contract or deed covering said property shall be subject to and bound by such restrictions, covenants and conditions and for the term of this instrument as hereinafter set forth.

All provisions of the Declaration, Bylaws and of any Rules and Regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners shall also apply to all occupants, guests and invitees of any Lot. Every Owner shall cause all occupants of his or her Lot to comply with the Declaration, Bylaws, and the Rules and Regulations adopted pursuant thereto, and shall be responsible for all violations thereof caused by such occupants, notwithstanding the fact that such occupants of a Lot are also fully liable and may be sanctioned for any violation of the Declaration, Bylaws, and Rules and Regulations adopted pursuant thereto.

If, in the judgment of the Board, a home business has a detrimental impact on the residential quality of the Property or otherwise constitutes a nuisance, the Board is authorized to require that the Owner cease the home business or alter it to the Board's satisfaction.

Section 6. Definition of "Business" and "Trade." The terms "business" and "trade", as used herein, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does generate a profit; or a license is required therefore.

Notwithstanding the above, the disassembly and assembly of motor vehicles to perform repair work shall be permitted provided such activities are not conducted on a regular or frequent basis, and are either conducted entirely within an enclosed garage or, if conducted outside, are begun and completed within twelve (12) hours. The Owners or occupants of all Lots shall at all times keep their Lot in a sanitary, healthful, neat and attractive condition, including (but not limited to) the vegetation, exterior surfaces, drives and walks, and shall not permit the accumulation of trash, garbage, or rubbish of any kind thereon.

The Board shall rule on the Owner's application for a "hardship" extension within thirty (30) days from the date of submission.
