Matthew Cowan, *President*

Pledge of Allegiance and The Texas Pledge

Recognition of SCA Board of Directors
and Community Partners

Announcements and Updates

**“Honor the Texas flag!
I pledge allegiance to thee, Texas,
one state, under God,
one and indivisible.”**

Featured Speaker:

Bob Patterson

Owner/General Manager, Southwest Fertilizer

Getting Our Lawns and Gardens Ready for Another Hot Summer!

Bob has been part of the Southwest Fertilizer family since 1989. After working as General Manager for the previous two owners, Bob and his wife Diane bought the business outright in 2008. Since then he continues to run the store on a daily basis as he has for 30+ years.

Diane Patterson is now working at the store after retiring from a 34-year career at a national food company (because being married to and living with Bob full-time just wasn't enough!).

Southwest Fertilizer offers a large selection of high-quality lawn and garden products, both well-known and harder-to-find brands, lawn equipment sales and service, and expert advice for both beginners and experienced gardeners.
