This year's event will also include a Precinct 4 Town Hall from Noon - 1:00 p.m. During this Town Hall, you will hear directly from precinct leadership about initiatives positively impacting your community. There will be a brief presentation from Luis Guajardo (Director of Planning & Community Development), who will share updates on the Bayland and Burnett Bayland masterplans. We will also have knowledgeable speakers who will highlight health and family resources available to you at both community centers.

We look forward to seeing you there!
